Welcome to Balian Springs

At Balian Springs, They want to provide an inclusive sanctuary of diverse wellness offerings, thoughtfully curated to promote a meaningful balance between all aspects of well-being - mental, physical, emotional, and spiritual - for the members of our Club, in a supportive social setting.

They foster community and wellness, together. Shifting from a “me time”, usually associated with self-care, to a “we time” mentality. Marrying the social aspects of relaxation and stress relief with the more traditional wellness offerings, we all can reach health goals with the help of a support system.

Step into an oasis of well-being and tranquility. Imagine a place where your wellness is not an afterthought, but a priority. A place centered around all the best parts of being alive. Disconnect from the busy outside world and reconnect with yourself.

The inspiration for Balian Springs came from a trip to Bali, Indonesia where spirituality, rituals, and traditions harmoniously blend with the social and luxurious aspects of life. In line with the growing market for Social Clubs and community-based wellness programs, Balian Springs will expand on the traditional definition of “self-care,” made accessible for anyone looking for a balanced lifestyle.

This first-of-its-kind daily admission-based Wellness Club is designed to transport you to your favorite tropical oasis. Our world-class facility features eight themed saunas, hydrotherapy & plunge pools, seven modern therapy lounges, wellness workshops, a day spa, CBD & adaptogen bars, elevated eateries, a fitness center, a rooftop infinity pool, and more.
